The Gunnsion Country Food Pantry’s Business Supporter Program is the opportunity for local businesses to make a difference in the lives of hungry neighbors in the Gunnison Valley. By contributing to the program, local businesses are making a direct, positive impact. When you commit only $100 per month, you are feeding seven hungry people per month, or 84 people per year!

“Our little guy loves his snack bag! He comes home from school every afternoon and packs his snack for the next day.”
~Young Mother

- We serve over 500 households per month, distributing over 16,000 pounds of food.
